The event marks our entry into the world of football, following a successful track record in cricket-related ventures. In our ongoing efforts, we aspire to delve deeper into the realm of sports and continue contributing to the vibrant landscape of event entertainment.

This strategic collaboration with Ole Gunnar Solskjaer underscores our company's dedication to diversifying its portfolio and engaging with a broader audience. The multi-city event promises to be a milestone in bringing together sports enthusiasts and fostering a deeper appreciation for football in India."

Speaking on this development, Mr. Saurabh Chaudhary, Director of Outcry Media Solutions Pvt Ltd. said "This sure is a very exciting and promising event that are conducting. There are millions of football fans in India and this event aims to redefine the football enthusiasm in the country. As per a latest study, across all non-competing countries, India had the third highest number of fans in Russia, behind only the United States and China. Ole Gunnar is known for his prolific career at Manchester United. The tour promises electrifying football fever, providing fans with an opportunity to engage with Solskjaer, who will share Premier League anecdotes. Manchester United, one of the most supported clubs in world football, reportedly has a following of more than 50 million fans in India alone. And now these very fans will have the exclusive opportunity to listen to the man himself. We know very well that he is also among the leading scorers for the club with 126 goals in 366 appearances for the club. His sensational last-minute winning goal in the 1999 Champions League final against Bayern Munich is still fresh in the memories of football fans across the world"

We shall keep the exchange informed of any further development on this front.
