

Rose Merc Ltd., is a BSE listed company that actively engages in industries, strategically generating a multitude of positive externalities. We are young company run by visionary leaderships who believes in unleashing, unseen values in private businesses. Currently we have presence in array of different industries like event and entertainment, devotional radio, products, e-commerce and financial services. As a vision we believe in creating long term economic value through strategic synergy in the businesses.

OUR VALUE CREATION ETHOS

Sustainable Value Creation:

We focus on building long-term value through responsible practices, innovation, and partnerships that support people, planet, and profit.

Performance-Driven Strategy:

Operational excellence and measurable outcomes are at the core of our growth—driven by data, agility, and accountability.

Multi-Segment Growth:

We leverage synergies across diverse sectors—sports, events, media, finance, wellness, and consumer products—for scalable, balanced expansion.

Strategic Investment for Impact:

We reinvest with purpose—focusing on high-impact sectors, emerging talent, and future-ready businesses to ensure enduring stakeholder value.
